MEMORANDUM FOR: Director of External Affairs

FROM:

Director of Central Intelligence

SUBJECT:

Letters to the Editor on FOIA

1. Those are good letters I signed out to the NEW YORK TIMES and the Chicago papers. It occurred to me that they would be strengthened by adding that quote from Judge Gessell. I'd do it this way:

Judge Gerhard Gessell (sp?), after the deep and balanced exposure to practical reality which litigation can provide, had this to say:

Consider doing that if the letters, signed Friday night, have not yet gone out. The autopen can sign my name.

William J. Casey
